

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT BUSINESS ASSOCIATE TERMS AND CONDITIONS

WHEREAS, the Administrative Simplification section of the Health Insurance Portability and Accountability Act of 1996, the Health Information Technology for Economic and Clinical Health Act and their implementing regulations as amended from time to time (collectively, "HIPAA") establishes federal requirements for the use, disclosure, and security of individually identifiable health information;

WHEREAS, HIPAA requires health care providers to enter into written agreements or other arrangements with Business Associate(s) that govern the Business Associate's use and/or disclosure of individually identifiable health information;

WHEREAS, the Insured, a health care provider, is seeking, or has obtained, insurance coverage from one of the companies identified above (the "Company");

WHEREAS, many states have implemented laws that establish certain requirements governing the protection of personal information of state residents ("Personal Information"), some of which may be applicable to the Company;¹

WHEREAS, in connection with the Insured obtaining or maintaining such insurance coverage, or in connection with the Insured obtaining benefits under such insurance coverage, the Insured may disclose Protected Health Information, including Electronic PHI (each as defined herein), and/or Personal Information to the Company;

WHEREAS, pursuant to HIPAA, the Company is a Business Associate of Insured when Company receives, creates, maintains, uses, discloses or transmits Insured's Protected Health Information, including Electronic PHI, on behalf of Insured in the performance of services provided in connection with Company's provision of insurance coverage to Insured; and

WHEREAS, the Company desires to enter into or amend and restate, as the case may be, a Business Associate agreement (this "Agreement") in favor of the Insured on the terms and conditions set forth herein, pursuant to HIPAA, to govern the Company's use and disclosure of Protected Health Information, including Electronic PHI, received directly from, or received on behalf of, the Insured.

¹ For example, many states define Personal Information as first name and last name or first initial and last name in combination with any one or more of the following data elements that relate to such resident: (a) Social Security number; (b) driver's license number or state-issued identification card number; or (c) financial account number, or credit or debit card number, with or without any required security code, access code, personal identification number or password, that would permit access to a resident's financial account; provided, however, that "Personal information" does not include information that is lawfully obtained from publicly available information, or from federal, state or local government records lawfully made available to the general public.

NOW THEREFORE, in consideration of the mutual promises and covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Company hereto agrees as follows:

1. **Definitions.** Capitalized terms used in this Agreement that are not defined in this Section 1 or elsewhere in this Agreement shall have the respective meanings assigned to such terms in the Administrative Simplification section of HIPAA. 2. **HIPAA Amendments.** The parties acknowledge and agree that the Health Information Technology for Economic and Clinical Health Act and its implementing regulations impose requirements with respect to privacy, security and breach notification applicable to Business Associates (collectively, the “**HITECH BA Provisions**”). The HITECH BA Provisions and any other future amendments to HIPAA affecting Business Associate agreements are hereby incorporated by reference into this Agreement as if set forth in this Agreement in their entirety, effective on the later of the effective date of this Agreement or such subsequent date as may be specified by HIPAA.
3. **Obligations of the Company.** The Company shall not use or disclose Protected Health Information other than as permitted in accordance with the terms of this Agreement.
 - (a) **Permitted Purposes for Use and/or Disclosure of Protected Health Information.** The Company shall not use or disclose Protected Health Information received from the Insured in any manner that would constitute a violation of HIPAA if so used or disclosed by the Insured. To the extent that the Company carries out any of the Insureds obligations under the HIPAA privacy standards, the Company shall comply with the requirements of the HIPAA privacy standards that apply to the Insured in the performance of such obligations. The Company may only:

 - (viii) to the extent required by the “minimum necessary” requirements of HIPAA, request, use and disclose the minimum amount of Protected Health Information necessary to accomplish the purpose of the request, use or disclosure; and
 - (ix) use and/or disclose Protected Health Information as otherwise agreed to in writing by the Insured.
- (b) **Safeguards Against Misuse of Information.** The Company agrees that it will use appropriate safeguards to prevent the use or disclosure of Protected Health Information in a manner contrary to the terms and conditions of this Agreement and will implement administrative, physical and technical safeguards that reasonably and appropriately protect the Confidentiality, Integrity and Availability of Electronic PHI that the Company creates, receives, maintains, or transmits on behalf of the Insured. The Company shall comply with the HIPAA Security Rule with respect to Electronic PHI.
- (c) **Reporting of Improper Disclosures of PHI.**
- (i) If the Company becomes aware of a use or disclosure of Protected Health Information in violation of this Agreement by the Company or a third party to which the Company disclosed Protected Health Information, the Company shall report the use or disclosure to the Insured without unreasonable delay.
 - (ii) The Company shall report any Security Incident involving Protected Health Information of which it becomes aware in the following manner:

If the HIPAA security regulations are amended to remove the requirement to report unsuccessful attempts at unauthorized access, the requirement hereunder to report such unsuccessful attempts will no longer apply as of the effective date of the amendment.
 - (iii) The Company shall: (a) following the discovery of a Breach of Unsecured Protected Health Information, notify the Insured of the breach without unreasonable delay and in no case later than 60 days after discovery of the breach; and (b) following a breach of Personal Information under any applicable state law, provide any required notifications in accordance with such law.

- (d) **Subcontractors.**
- (i) Except as otherwise provided herein, the Company shall enter into a written agreement meeting the requirements of 45 C.F.R. §§ 164.504(e) and 164.314(a) (2) with each Subcontractor (including, without limitation, a Subcontractor that is an agent under applicable law) that creates, receives, maintains or transmits Protected Health Information on behalf of the Company. The Company shall ensure that the written agreement with each Subcontractor obligates the Subcontractor to comply with restrictions and conditions that are at least as restrictive as the restrictions and conditions that apply to the Company under this Agreement.
 - (ii) With respect to any third party to whom the Company discloses Protected Health Information for a purpose described in Section 3(a)(iii) or 3(a)(v) of this Agreement, the Company shall obtain reasonable assurances from such third party that the Protected Health Information will be held confidentially and will be used or further disclosed only as required by law or for the purpose for which the Company disclosed the Protected Health Information to the third party and that it will implement reasonable and appropriate safeguards to protect it. In addition, such third party shall agree to notify the Company of any instances of which it is aware in which the confidentiality of the information has been breached.
- (e) **Access to Information.** In the event that the Company receives a written request by the Insured for access to Protected Health Information about an Individual contained in any Designated Record Set of the Insured maintained by the Company, the Company shall, in a timely manner in order to permit the Insured to comply with its obligations under HIPAA, make available to the Insured such Protected Health Information. This obligation shall continue only for so long as such information is maintained by the Company. In the event that any Individual requests access to Protected Health Information pertaining to such Individual directly from the Company, the Company shall forward such request to the Insured. The provision of access to the Individual of such Protected Health Information and/or denial of the same (including the creation and/or maintenance of any notifications and/or documents in connection therewith) shall be the sole responsibility of the Insured.
- (f) **Availability of Protected Health Information for Amendment.** In the event that the Company receives a written request from the Insured for the amendment of an Individual's Protected Health Information contained in a Designated Record Set of the Insured maintained by the Company, the Company shall, in a timely manner in order to permit the Insured to comply with its obligations under HIPAA, make available such Protected Health Information to the Insured. This obligation shall continue only for so long as such information is maintained by the Company. In the event that the Insured agrees to comply with an Individual's request to amend such Protected Health Information, the Company shall incorporate any such amendments designated by the Insured. In the event that the Insured denies an Individual's request to amend such Protected Health Information,

the Company shall incorporate into the Protected Health Information any of the statements and/or documents that the Insured has created or received with respect to such denial; provided that, the Insured has provided the Company with a copy of such statement and/or documents. In the event that any Individual requests an amendment to Protected Health Information pertaining to such Individual directly from the Company, the Company shall forward such request to the Insured. The determination of whether to amend such Protected Health Information pursuant to an Individual's request and/or the denial of such request (including the creation and/or maintenance of any notification and/or creation of documents in connection therewith) shall be the sole responsibility of the Insured.

- (g) **Accounting of Disclosures.** The provisions of this Section 3(g) apply solely to those accountings of disclosures of Protected Health Information that are required of a health care provider pursuant to 45 C.F.R. § 164.528. The Company shall provide such accounting to the Insured in a timely manner in order to permit the Insured to comply with its obligations under HIPAA. In the event that the request for an accounting is delivered directly to the Company, the Company shall forward such request to the Insured. The provision of such accounting of such disclosures to the Individual (including the creation and/or maintenance of any notifications and/or documents in connection therewith) shall be the sole responsibility of the Insured.
 - (h) **Availability of Books and Records.** Except as otherwise prohibited by law, the Company hereby agrees to make its internal practices, books and records relating to the use and disclosure of Protected Health Information in connection with its obligations under this Agreement available to the Secretary of Health and Human Services for purposes of determining the Insured's compliance with the Administrative Simplification Provisions.
 - (i) **Use of Limited Data Set.** In the event that the Company receives or creates a limited data set (as described in 45 C.F.R. § 164.514(e)), then the Company shall only use and disclose such limited data set for research purposes, public health purposes or as otherwise Required by Law. In addition, the Company shall comply with Section 3(b), Section 3(c), and Section 3(d)(i) of this Agreement in the same manner as though such Sections referenced a limited data set, instead of Protected Health Information. Finally, except as otherwise permitted pursuant to this Agreement, the Company shall not re-identify the limited data set such that the limited data set becomes Protected Health Information and shall not contact any Individual who is the subject of the limited data set.
4. **Personal Information.** To the extent that the Company has access to Personal Information, the Company agrees that it has implemented and maintains appropriate security measures for the protection of Personal Information in accordance with applicable state laws.
5. **Obligations of the Insured.** The Insured shall have obtained all necessary consents and/or authorizations required under state law to enable the Insured to lawfully disclose the Protected Health Information to the Company and to enable

the Company to use and disclose the Protected Health Information in accordance with the terms of this Agreement. In addition, to the extent the Protected Health Information contains any psychotherapy notes (as defined under HIPAA), the Insured agrees to obtain all necessary authorizations to enable the Insured to lawfully disclose the Protected Health Information to the Company and to enable the Company to use and disclose the Protected Health Information in accordance with the terms of this Agreement.

The Company shall not retain any copies of such Protected Health Information. Notwithstanding the foregoing, to the extent that the Company determines it is not feasible to return or destroy such Protected Health Information, the terms and provisions of Section 3 shall survive termination of this Agreement and such Protected Health Information shall be used or disclosed solely for such purpose or purposes which prevented the return or destruction of such Protected Health Information.
